## ABOUT SOCIETY

### Bharatiya Vidya Mandir, Amravati ( Established in 1958)

- P *Bharatiya Vidya Mandir is an organization formed by a group of young devoted socially oriented teachers in 1958. It was a time when the management of the educational institution was completely under the control of the powerful lobbies with vested interest. With an earnest desire to put an end to the corrupt practices in the field of education, they felt the need to have an organization governed by the teaching community itself.*
- P *It was this mission of service to the society without the narrow consideration of caste, creed and community that paved the way for birth of this new society of young teachers.*
- P *The society was blessed by Sant Tukdoji Maharaj, who was present at the time of foundation stone laying ceremony. The holy Soul Mother Teresa had also visited the society & appreciated its work.*
- P *The Society runs three educational institutes at various places.*
- P *The Society has always tried to expand the horizon of its activities and facilities for the benefit of students in this region.*

---

## ABOUT COLLEGE

- P *The college initiated its journey in 1963 when Bharatiya Vidya Mandir felt the need for educational endeavours especially for the underprivileged and the educationally deprived. Five founder members of the society, who were lecturers in different institutes on permanent basis, left their jobs to work together as teacher with new vision and mission. Thereafter, over the years, it has gradually gained momentum phenomenal enough to recognize itself as an established seat of learning. The college is permanently affiliated to Sant Gadge Baba Amravati University and is conferred by on being reaccredited by NAAC, Bangalore.*
- P *The College is based in an ecofriendly campus at the heart of the city. Students benefit greatly by the extensive facilities available at the college. These include laboratories with modern equipments. and a computerised library having collection of over 40,000 books, rare as well as latest. The extension activities and career oriented programmes run by the college provide an earn and learn opportunity to the students.*
- P *There is something special about Bharatiya Mahavidyalaya. The college has an extraordinary spirit and soul about it generated by our staff, our faculties and most of all by our students. The Merit students from Arts, Commerce, Science faculty as well as colour holders in Youth Festival and Physical Education department have brought laurel to the college.*
